Dear Mr. and Mrs. Turner:

It is with pleasure that I thank you for your additional contribution of \$100.00 to the 1978 Annual Fund of the National Symphony Orchestra.

Your interest in the National Symphony is very encouraging. With your support, we will meet our challenging fund-raising goal of \$1,500,000 this year. We are deeply grateful to you for so generously helping to make its success possible.

An official receipt is being forwarded under separate cover.

Thank you very much.

Sincerely,

W. Reid Thompson
